

# Child Care

## Utah's Low Risk Phase Guidelines

### Moving to yellow

A color-coded health guidance system has been developed by the State of Utah to guide health behaviors for individuals and businesses. Each level of the dial is guided by a rigorous measurement system which can be different by each region, county, city, or community.

#### Enhanced cleaning and distancing protocols. No symptomatic children.

- Follow all employer guidelines (see below)
- Enhanced cleaning and disinfecting
- Limit mixing the groups of children (keep in separate rooms, allow on the playground at different times)
- Children from the same household are kept in the same group whenever possible
- Don't use toys that can't be washed and disinfected
- All individuals must wash hands with soap and running water upon arrival
- Children and staff should stay home if they're sick
- Children and staff are screened for symptoms
- If there is a confirmed case, facility must be closed and alert local health department
- All high-touch surfaces should be cleaned and disinfected regularly
- The provider must restrict offsite activities to places or environments where social distance and proper cleaning practices can be controlled
- When handling food, follow Restaurant guidelines

#### General employer guidelines

Employers encourage flexible working arrangements (rotating shifts, remote work, etc.). Comply with distancing guidelines. Increased cleaning regimen of high-touch areas. Monitor employees for symptoms and well-being.

- All businesses open
- Employers take reasonable precautions
- Provide accommodations to high-risk employees; minimize face-to-face contact, assign tasks that allow these individuals to maintain a 6-foot distance from other employees or customers, implement flexible work hours or staggered shifts, allow high-risk individuals to work remotely

- Symptom\* checking in business interactions
- Face coverings worn in settings where other social distancing measures are difficult to maintain; ensure that face coverings are available
- Encourage remote work when possible; employers exercise discretion with returning to onsite work
- Workplaces comply with distancing and hygiene guidelines
- Limit unnecessary travel
- Require employees to self-quarantine when returning from high-risk\*\* areas
- Employers evaluate workforce strategy and concerns and enact strategies to minimize economic impact
- Employers must not allow any individuals under isolation or quarantine to come to work at any time unless authorized by LHD

\* Symptoms include fever of 100.4 degrees Fahrenheit or above, cough, trouble breathing, sore throat, sudden change in taste or smell, muscle aches or pains
